

## GET TO KNOW YOU SPECIAL

The Camp Doctor, Inc. (TCDI) has an Introductory Camp Review for camps, conference centers, and/or outdoor programs. The offer is designed to provide an owner, a manager, or a Board Member with an opportunity for us to observe and to become your life coach for camp.

We are a team of nationally experienced camping consultants, all of whom have extensive backgrounds in camp operations. TCDI brings a *fresh set of eyes* that sees what may be camouflaged to a passionate stakeholder. Along with the *highest standards of ethics*, we bring *commitment, and competence*, to your organization's camping, conference, and outdoor program.

### Introductory Camp Review - Scope of Work along with a written report:

- Site Visit by a TCDI Associate
- Interviews with Key Stakeholders
- Interviews with Camp Management
- General Strengths Analysis
- Review of Obstacles and Challenges
- Findings Summary
- Future Recommendations and Solutions
